**Step 6: Wait two business days for Bill Pay to make two test deposits and one withdrawal into the account you are adding. Log back into Bill Pay, confirm the two deposits and you can then begin to transfer money.**

#### Verify This Account

[About verifying accounts](#)

For your security, you'll need to verify that you own this account.

1

#### Wait 2 business days

Bill Pay will make two test deposits and one test withdrawal into the account you are adding.

2

#### Find 2 test deposits

You will need to look at the transactions of the account you are adding to identify the test deposits.

3

#### Enter the deposits on this website

You will be asked to enter the two deposit amounts in order to verify you own the account.

**Add Account**

[What else can I do?](#)

Step 2: Once in Bill Pay click on "What else can I do?" in the lower right-hand corner.

Here's what you can do in Bill Pay.

Step 3: Click on "Transfer money between your accounts"

Three vertical cards are shown. The first card is titled "Pay your bills in 3 easy steps." and contains the same three-step process as above. The second card is titled "Send money to friends and family." and features the "popmoney" logo. The third card is titled "Transfer money between your accounts." and shows two piggy banks with a double-headed arrow between them. A large black arrow points from the "Transfer money between your accounts" card towards the left.

Step 4: Choose the option "Add an Account".
