## SUMMER TRAVEL PLANS

### YOUR TRAVEL INFORMATION

TruNorth has implemented Manage My Cards within online and mobile banking. This new feature gives members more access to spending information, card controls, and more. It is also an option for members to update us about upcoming travel plans. By giving TruNorth your travel information through Manage My Cards, you can avoid unwanted potential fraud calls when using your card out of your usual spending location.

### UNPAID TICKETS AND TOLLS

Recently, there has been a new text scam circulating the area. This scam poses as the Department of Motor Vehicles and alerts you of unpaid tolls or traffic tickets. The text also threatens penalties if you do not pay the fine. Please be aware of these scam texts and do not click any of the links within the text. We recommend blocking the phone number and reporting the message as spam.
