TNFCU COMMUNITY INVOLVEMENT

FINANCIAL REALITY FAIR

TruNorth Federal Credit Union partnered with Ishpeming High School and Westwood High School to host our annual Financial Reality Fairs. These hands-on events allowed students to practice real-world budgeting and explore everyday financial decisions, giving them a clearer understanding of how to manage money responsibly.

TruNorth staff were available throughout the fairs to guide students, answer questions, and offer support as they worked through their assigned budgets. The experience sparked great conversations and helped students build confidence in planning for their financial future.

Our commitment to financial education extends beyond the classroom as well — TruNorth FCU proudly provides free financial counseling for our members, offering guidance on budgeting, credit building, debt management, and long-term financial goals.

We're proud to support financial literacy in our community and help both students and members strengthen their financial well-being.

ISHPEMING COMMUNITY EVENTS

TruNorth Federal Credit Union is proud to serve as the Presenting Sponsor of the 23rd Annual Summer Concert Series in downtown Ishpeming. From June 18th through September 3rd, community members can enjoy live music every Thursday as part of this long-standing local tradition that brings families, friends, and neighbors together all summer long.

In addition to the concert series, TruNorth FCU is honored to support several other beloved community events throughout the year as a Platinum Sponsor, including the Christmas Parade, Ladies Night, and the Festival of Treasures. These events play an important role in strengthening our community spirit, and we are grateful for the opportunity to help make them possible.

At TruNorth, we're committed to giving back and celebrating the traditions that make our area such a special place to live. We look forward to seeing everyone at the concerts this summer!
